BEVERAGE MENU

A close-up, high-angle shot of a glass containing a drink with a large ice cube and a slice of citrus fruit. The glass is partially filled with a golden-brown liquid. A large, clear ice cube is floating in the center, with a slice of citrus fruit (likely orange or lemon) perched on its edge. The background is dark and out of focus, suggesting a wooden surface. The lighting is warm and directional, creating highlights on the glass rim and the ice cube.
